

**DALTON BOARD OF HEALTH
MONTHLY MEETING
CALLAHAN ROOM – TOWN HALL
DECEMBER 7, 2015
MINUTES**

Members Present: Chairman Richard O'Brien, Edward Gero, Dr. Daniel Doyle, Alyce Kendrick

Members Not Present: Drew Finn

Also Present: Ed Fahey, Health Agent

Chairman Richard O'Brien opened the meeting at 4:00 PM

Minutes - Minutes from the November 2, 2015 meeting were reviewed; Ed Gero motioned to accept, Dr. Doyle seconded; all in favor.

Wahconah Falls Trailer Park Septic – A letter requiring half of the homes in the park be connected to the newly installed septic field was sent to the owner Mr. Deep. After speaking with the engineer Brent White and representative for the Perc rite drip system Bob Tynan it was then determined that under flowing the field may lead to freezing or other complications over the winter. It was decided to not put the new field on line over the winter in the interest of caution. A letter will be sent to Mr. Deep. The Dalton rent control board will also be copied.

112 Warren Ave – The dilapidated barn is still standing despite the November 30th deadline to remove it. A letter will be sent to the owner notifying them the \$25 per day fine has started on October 15, 2015.

Berkshire Organics - The owner was asked to move the garbage receptacles behind the existing screening to prevent trash from blowing into the residential neighborhood. After multiple phone calls and emails this has been done as of November 30. Any future zoning complaints should be directed to the zoning enforcement department.

The next scheduled meeting is January 4, 2015. The meeting was closed at approximately 4:20 p.m.

Respectfully Submitted,

Ed Fahey, Health Agent
