Policy SubCom Meeting Notes of Tue. March 23, 2021; 18:00; Zoom Meeting - Remote

The meeting was opened at 18:00 by the Chair, Mrs. Swenson, with Mrs. Airoidi, Mrs. Barclay, and Mrs. Reynolds in attendance from the SubCom, Administrative Assistant Julie Marynok, who opened the Zoom session, then passed host duties to Mrs. Airoidi, and Administrative Liaison Tammy Crockett.

Listening Session on BEDJ RECORDING/TAPING OF SCHOOL COMMITTEE MEETINGS

As announced at multiple prior full School Committee meetings, and in prior posted Policy Subcommittee notes, the meeting this evening began with a listening session from 18:00 – 18:30 to allow the School Committee members who had expressed interest to provide input regarding the policy. Thank you to Templeton Rep. John Columbus, who was the only person to participate. Mr. Columbus provided thoughtful input, discussed how taping/broadcasting in Templeton was addressed, and provided a Templeton contact for further information.

I. Review and adoption of the last meeting notes

No meeting notes were available for review.

II. Priority policy review requested by Administration

No priority policy reviews were requested.

III. Status of policies in review with Legal Counsel and/or Administration

Nothing in review.

IV. Ongoing Policy Review:

Review of B policies continued, with the following actions: All B policies are in holding with the exception of **BEDJ TAPING/BROADCASTING OF SCHOOL COMMITTEE MEETINGS**. Members will consider Mr. Columbus's input and Mrs. Barclay will assemble other information and forward for consideration and discussion at the 2021 04 13.

V. Items not reasonably anticipated by the Chair 48 hours in advance

Open Meeting Law attestations were brought to Mrs. Crockett's attention by School Committee Chair Eric Olson. His questions are: What method is used to provide OML info to SchoolCom members? How are we documenting receipt of OML info? Should it be part of the annual elections procedure? This will be discussed at a future meeting, in the context of B Policies.

Mrs. Barclay asked if there would be any major changes to the annual Practical Nursing Program policy manual. Mrs. Crockett will forward any materials for consideration at a future meeting.

VI. Next meetings and adjournment

- **MOTION:** (By Mrs. Airoidi; seconded by Mrs. Reynolds) Adjourn, at 18:30. (Approved)

The next meeting of the Policy Subcommittee is scheduled for:

Tuesday, April 13, 2021, 18:00-20:00, via Remote Zoom.
